

National University of Tainan, Department of Greenergy

The Department of Greenergy at the National University of Tainan (NUTN) invites applications for multiple tenured and tenure-track faculty positions. This will be an open call for outstanding candidates in science, engineering or energy-related fields. As Taiwan's first department devoted to green-energy research, the Department of Greenergy at NUTN has continued development, building on its reputation for teaching, industry-academic collaboration and research. Therefore, we seek candidates with related energy technology experience to join our research and teaching team.

- 1) One vacancy available in Tenure-Track Assistant/Associate/Full Professor
- 2) Expected employment start date: 2024/8/1, or 2015/2/1 (depending on the required administrative paperworks).
- 3) Application date: 2024/4/11~2024/6/11(postmark will be used as proof of submission date; direct in-person submission will not be accepted). We accept electronic submissions from applicants from abroad. After the electronic submission, please call to confirm that we have received the application documents. Please mail all relevant supporting documents to the Personnel Department of National Tainan University, Address: No. 33, Section 2, Shulin Street, Central West District, Tainan City 700.
4. Qualification
 - 1) The successful candidate should hold a PhD in science, engineering or energy-related fields.
 - 2) Academic expertise in energy-related engineering fields, preferably electric vehicles, fuel cells, hydrogen energy and energy storage.
 - 3) Preference will be given to candidates whose research, teaching or industry experiences complement current faculty expertise
 - 4) At least three publication of SCI-indexed journal publications between 2018~2024
 - 5) Capable of teaching classes fluently in English

Application materials

- 1) Submit the application form for an academic position at National Tainan University" (Attachment 1), a List of SCI-indexed publications in related fields from 2018 to 2024" (Attachment 2) and obtained project funding in recent years
- 2) Photocopies of Undergraduate, Master and doctoral diploma, a photocopy of the front and back of passport and photocopies of academic teaching rank accreditation certificates (not required if the candidate has not previously obtained the certificate from the Ministry of education).
- 3) If you hold a foreign doctoral degree, please send your degree certificate (or temporary proof of graduation certificate) and academic transcripts (during the undergraduate and postgraduate years) to the Bureau of Consular Affairs, Ministry of Foreign Affairs, Republic of China (Taiwan) for degree verification.
- 4) If you do not have an assistant professor academic teaching rank accreditation certificate from the Ministry of education at the time of application, please provide an abstract of your doctoral thesis in Chinese or English.
- 5) Please provide past transcripts of university, master's and doctoral programs. Those with more than three years of full-time teaching experience in public or private universities in Taiwan or associate professors/full professors are not required to attach transcripts of past years but should attach the subjects taught and course syllabus
- 6) Applicants without a) a foreign academic degree, b) foreign visiting scholar experience or c) over one year of research / postdoctoral research experience from a foreign country are required to attach an English language-related proficiency certificate (such as TOEFL, TOEIC...), or provide course titles, teaching plans and relevant teaching experiences in English (at least one course) that can be used to support the English proficiency of the applicants.
- 7) Please provide one copy of a) relevant experience and b) academic expertise certification documents each.

Please send your application to Ms Zhuang of the Personnel Department (contact number: +886 62133111 extension 153), jjh0716@mail.nutn.edu.tw

For other application-related queries, please get in touch with Ms Ding at 06-2602251
Fax: 06-2602205

Important notes

- (1) Please send applications with "Application for a faculty position in the Department of Greenergy, National University of Tainan " on the envelope.
- (2) The academic qualifications listed in the selection refer to the departments (disciplines) and graduates from public or registered private or domestic and foreign universities (colleges) recognised by the Ministry of Education (ROC Taiwan).
- (3) Newly hired full-time faculty members must complete two years of administrative work in the NUTN. In addition, every semester, they must offer one English-taught or English as a Medium of Instruction (EMI) course.
- (4) Applicants must conduct a full teaching demonstration in English during the interview.
- (5) Newly hired academics must assist in teaching the University's continuing education courses.
- (6) We may extend the announcement period for the position if the number of applicants is below 10.
