特展簡介

About

1945-1951年是臺灣大學最動盪的一段校史，也是最重要的一段臺灣歷史。從日治到中國化、從帝大到臺大，政權的轉移不但對國家的政治、社會、文化造成衝擊，乃至於學術領域更受到莫大的影響。臺大檔案館試圖透過檔案的呈現，回溯記憶的碎片，探究歷史的軌跡，重新梳理歷史變動的真相。

1945-1950 was the most turbulent period in Taiwan University's history, and it was also the most important period in Taiwan's history. From Japanese rule to Sinicization, from Imperial University to National Taiwan University, the transfer of power not only impacted the country's politics, society, and culture, but even the academic field was greatly affected. Through the presentation of the archives, the archives tried to trace back the fragments of memory, explore the trajectory of history, and reorganize the truth of the changes.
